

**INSTRUCTIONS FOR FINDING PLEADINGS  
IN DESELM ET AL V. HUTCHISON ET AL**

1. I am a novice at web site postings so please be patient.
2. File names on the web site are limited to 32 characters so it is difficult to find a pleading by the web site file name.
3. We have copied our computer file with comments that have the full name of the pleading. To date we have been unable to print the more complete comments on the file listings on the web site.
4. Files are arranged by a number that represents the year/month/day the pleading was filed with the Court.
5. In the Index additional comments assist locating a specific pleading.
6. The letters at the beginning of the comment indicate what court the pleading was filed in, i.e. "CC"- Chancery Court; "COA" Court of Appeals; and "SC" Supreme Court.
7. The [Atth \_\_\_\_] denotes an attachment filed with the Court.
8. We will continue to make assess more accessible and we learn more.
