Re: Moody v. Hutchison, Chancery #153315-2

Dear Robert,

This is to confirm that you have been retained by Knox County to represent the Knox County Sheriff and Knox County in the above-styled litigation. In that capacity, you essentially stand in the place of this office for the purposes of this litigation, and may exercise whatever authority this office would have otherwise exercised in this litigation, including decisions regarding employment of counsel and indemnification under Knox County Ordinance 2-286.

Sincerely,

Michael W. Moyers
Knox County Law Director
